CLASS MOTTO:—"*Through Right Ways.*"

Class Hymn.

We ask Thy blessing, Father, now,
Before Thy morning light,
Beholds us meeting here no more
Within these walls so bright.
May we each moment of our lives
From out Thy storehouse take
Rich gifts of wisdom and of love
A worthy life to make.

The hours have passed with swiftness here.
While strong have grown the ties
That bind us teachers, schoolmates, kind
In friendship that ne'er dies.
Farewell, dear friends, we say farewell
Till "Through Right Ways" at last
In Heaven we meet forevermore
Our days of trial past.

Words by Anna Louise Steadman.

Music by Prof. Emory P. Russell.
