Battle Of The Bands

Battle of the Bands was a very successful night where bands came to Weber Halls Rec room and competed against each other.

Some bands had as many as seven, while others had just three. All of the bands did a great job. Thumbs up to Weber Hall for hosting a wonderful event

Thorp Hall is a pretty crazy group of students. They competed in the Olymprics under the name "Thorpeados" and thats only a little taste of what a nutty group they are.
