Still, others spend their time playing video games.

How Do RIC
Students
Spend Their

Some students read, while others sleep.

Rhonda Blackwood spends her time in the Video Den wisely. She reviews her class notes.

Other girls like to come to the video den to watch their favorite soap operas.

ADMINISTRATION

The Board of Governors for Higher Education
and the Faculty, Staff, and Students of
Rhode Island College
request the honor of your presence
at the Inauguration of
JOHN NAZARIAN
as the eighth President of the College
on Saturday the twenty-seventh of October,
nineteen hundred and ninety,
at two o'clock
in Dennis J. Roberts Auditorium
on the College campus
Providence, Rhode Island.

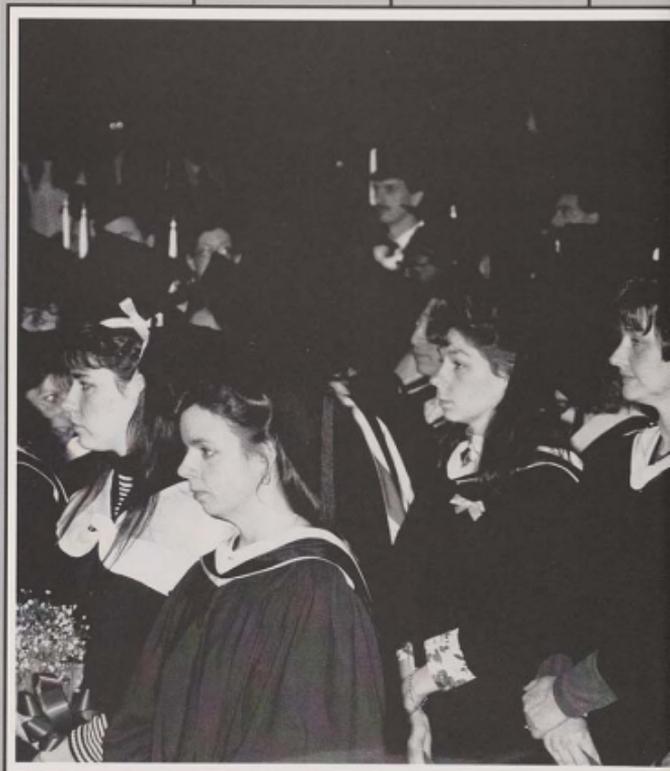

Reception following the ceremony,
Fred J. Donovan Dining Center.

Change in Administration

The 1990-91 school year brought much change on campus. Perhaps the most welcome change on campus was the inauguration of President John Nazarian. Himself a graduate of RICE, the President has made a career working here. His ability and his insight into the needs of the college will bring the positive change the campus so desperately needs. Here, the public relations director and others discuss plans for President Nazarian's inauguration.
