## SESSIONS.

The school holds its sessions on Tuesday, Wednesday, Thursday, Friday, and Saturday of each school week, from 9.30 A. M. till 2.30 P. M. The school is open to visitors during every session. On Saturday, in connection with the usual exercises of the school, Lectures are given by Professors of Brown University, and by others, upon subjects adapted to interest and instruct those actually engaged in teaching, as well as the pupils of the school.

## RAILROAD AND HORSE CAR COMMUNICATION WITH THE SCHOOL.

The railroads which centre in Providence enable pupils in a large portion of the State to board at home while attending the school. The school building is located at No. 265 High Street, within a few minutes walk of the central Depot on Exchange Place. Horse Cars, on nearly all the lines, running into and through the city, pass along High Street, or quite near the school building. All parts of the city and State are thus, by railroads and horse cars, brought into direct and easy communication with the school. Railroad companies furnish tickets at reduced rates to those attending the Normal School. These tickets may be obtained by applying to the Principal.
