## THE DEL SESTO MACE

At the 1959 Commencement exercises, the first held on the present Mount Pleasant campus, Governor Christopher Del Sesto presented to Rhode Island College a bronze replica of the statue of the Independent Man so that the college, which up to that time had been located near the State House, might continue its tradition of holding commencements and other academic convocations in the presence of the Independent Man. The Del Sesto Mace, designed by the noted Rhode Island sculptor, the late Aristide Cianfarani, and crafted by the Gorham Company, has been in use since 1962 in all academic processions as symbolic of tradition and authority and, as well, of Rhode Island College's commitment to the search for truth, knowledge, beauty, values and learning.
