### THE DEL SESTO MACE

At the 1959 Commencement exercises, the first held on the present Mount Pleasant campus, Governor Christopher Del Sesto presented to Rhode Island College a bronze replica of the statue of the Independent Man so that the college, which up to that time had been located near the State House, might continue its tradition of holding commencements and other academic convocations in the presence of the Independent Man. The Del Sesto mace, designed by the noted Rhode Island sculptor, the late Aristide Cianfarani, and crafted by the Gorham Company, has been in use since 1962 in all academic processions as symbolic of tradition and authority and, as well, of Rhode Island College's commitment to the search for truth, knowledge, beauty, values and learning.

### THE WILLARD MEDALLION

The Willard Medallion, symbol of the office of the presidency and worn at official and ceremonial occasions, links plates bearing the names of the chief executive officers who have led Rhode Island College since 1973. The sterling silver collar with enamel medallion was commissioned by the Rhode Island College Alumni Association and designed by silversmith Curtis K. LaFollette to commemorate the inauguration of Dr. Charles Borromeo Willard as the first alumnus to be named president of the college.

### THE RHODE ISLAND COLLEGE SEAL

The official Rhode Island College seal, adopted in 1960, incorporates the anchor, symbol of Hope and of the State of Rhode Island, with the founding date of the institution, 1854, and features the Flame of Life, adapted from the Holbrook Murals in the foyer of Roberts Hall. The flame is used in the murals to depict the energy that has supported over the aeons the development of all living things and has led man to his highest intellectual achievements. In like manner, the flame in the Rhode Island College seal stands for the life of the body and the life of the mind, symbolizing the human and intellectual goals and achievements of Rhode Island College.
