Dear friend Hazard:

Yours of April 26<sup>th</sup>

before me. The brief personal article  
accompanying your private note, signed  
X X X, I do not care to print, for many  
reasons I could give you verbally, but  
which it would be injudicious for me to write  
I hope to see you ere you "go up  
higher," and then I will explain  
the property now speak of has not been  
given to the spiritualists, as you may be  
led to suppose, but is held subject to  
the original managers exclusive control.  
So I fear, and some dissatisfaction is the  
result. While answering your note, I get

this communication from your spirit brother  
Thomas. He says, (which I copy below) <sup>what</sup>  
somewhat surprises me: ~~that~~

"Brother Joseph - If you have any money to leave,  
you had better give it to sustain the Banner of  
Light Circle room meetings, instead of  
willing it to any other institution."

Confidentially yds.
