SENIOR CLA

On September 10, 1954, a frightened but hopeful class entered R.I.C.E. A new world was opening to us and we were unaware of the many things that were to follow. After our meeting with our sister class, the Juniors, we felt even more lost. Remember the first week of hazing — those heavy bricks and the tiny Freshman caps we wore?

That first year we became acquainted with "real" college life — its studies, clubs, activities, and sports. Our first project at the college was campaigning for the bond issue to construct a new campus. Our first big event as a class was Stunt Night. It is always an exciting time and although we didn't win we enjoyed presenting our version of a carnival.

Christmas vacation and mid-year exams crept up bringing us the realization that the first semester had been successful.

The second semester was no less difficult nor exciting and by then we felt we really belonged. We helped make the May Day activities on the State House lawn gay by rendering many folk dances. Commencement came closer and we watched the Seniors excitedly as they prepared for graduation, knowing that someday we would be doing the same.

Summer passed quickly and soon it was September. We returned as Sophomores with a feeling of belonging and importance as we chose our electives. We entered our own particular fields of education with Elementary majors far outnumbering English-Social and Math-Science.

Our first special event was the Sophomore Hop over which our own Sophomore queen ruled. The theme was Paris, with the auditorium set up to look like a sidewalk cafe complete with tables, chairs, and Toulouse-Lautrec. Exciting, wasn't it?

The year continued with the daily routine of classes, mid-term exams, vacations, dances, sports events. Stunt Night was a highlight of the year, when our skit was Santa's Workshop. It was fun and we took second place!

The May Day event was held and the queen kept secret until the last minute. Although a few of us participated, most of us were content to watch. We took an active part in Class Day as thirty Sophomore girls dressed in white, paraded on the State House lawn carrying the Daisy Chain.

As Juniors, we eagerly, but with some doubt as to our capabilities, prepared for our first experiences in the classroom — Participation.

There was also a feeling of importance on achieving the status of being a sister class to the incoming Freshmen. As it turned out we were no more lenient nor sympathetic than were our own Junior sisters as the Vigilantes lurked

SS HISTORY

behind every corner and door waiting to snare an unsuspecting Freshman. It may probably be supposed that the Class of 1960 will never forget or forgive us for it.

The annual Stunt Night, having been moved up to second semester, was awaited with varying degrees of calmness and although we can claim no honors, our skit, Mopey Dick, was original.

By this time, half of our class left for a period of Responsible Teaching and those that stayed behind continued to carry on class business, such as arranging the Junior Prom which was held in May at Rhodes Annex. For this brief evening, we were together again enjoying a feeling of unity.

September! Our very last year! The class still divided, but wiser and looking more professional every day, we found that teaching was a reality and that within a year we would be responsible for our own classrooms.

Dances, parties, and sports helped to break up the academic studies. Midyear exams passed and at last our class was re-united. In honor of this event a special Senior Breakfast and Faculty Tea were held in order that we might renew acquaintances and meet the faculty on a social level.

A new innovation at R.I.C.E., Winter Weekend, proved to be highly successful and exciting. Friday night started the weekend rolling with our annual Stunt Night. Under the usual cloak of suspense, we planned and practiced for our own interpretation of "Cinderella." We had fun doing it and we were greatly disappointed when the judges could not see our genius, and awarded us a mere second place. The Faculty-Student cage ball game proved delightful to watch on Saturday afternoon and ended in plenty of time for us to dress for the All College Ball. The highlight of the evening was the crowning of a senior as All College Girl. Sunday afternoon brought with it jazz of all kinds, as we sat in the Henry Barnard auditorium listening to the tops in progressive jazz bands. Monday morning a weary bunch dragged its way through the halls of R.I.C.E. still reliving and remembering the best weekend of many a year.

In May we embarked on the last phases of college life. Garbed in gowns we officially received our caps and felt a step closer to the Big Day. Afterward we celebrated with a special Cap and Gown dance.

May Day held a very important place in our hearts in that spring of 1958, for we as seniors organized and presided over the festivities on the State House lawn. Every eye strained and every head turned as we looked over the long procession of the court to discover who had been chosen Queen.

June finally arrived and with it Senior Vespers, the Prom, Class Day, Commencement, and the feeling of achievement. Loyal to our Alma Mater, we were united in spirit, purpose, and direction, standing on the threshold of the door to the beginning.

NATIONAL EDUCATION ASSOCIATION

Student N.E.A. holds bi-monthly meetings with the purpose of furthering the interests of young people in the field of teaching and of aiding them in becoming more successful teachers. These purposes are accomplished through informal panel discussions, guest speakers in the field of education, movies, and special projects.

This year S.N.E.A. planned a varied program on vocational schools, the driver education training program, and the slow learner. A field trip was taken in January to the School for the Deaf.

Each year the organization's main social event is a joint Christmas Dance sponsored with members of Kappa Delta Pi, the National Honor Society at R.I.C.E.

DEBATING SOCIETY

While many of the organizations at R.I.C.E. harbor occasional arguments, the one club that specializes in them is the Debating Society. These disagreements are not without thought, however, but rather lead to debates based on sound logic and backed by proof.

Debating is an important activity for prospective teachers because it develops many qualities that a teacher needs, poise, confidence, clarity of expression, and logical thinking.

Our debaters test their oratorical and analytical skill in contest with debaters from other colleges and universities. They participate in regional and national tournaments.

Participation may involve acting or work on any of the various committees through which the Club functions. These include such fields as scenery, properties, costumes, makeup and ticket distribution. One of the highlights of this year was the presentation of Graham Greene's "The Potting Shed."

Dramatic League members may be elected to Mu Rho Cast of Alpha Psi Omega, the National Honorary Dramatic Society. To qualify for this distinction a member must accumulate fifty credit points for acting, directing, workshop productions, or committee work, and must be approved by the Alpha Psi Omega membership committee who judge the candidate on the basis of character, personality, and accomplishment.

The Canterbury Club at R.I.C.E. is an organization for the Episcopal students of the college and for all who are interested in the church's work. It is part of a nationwide organization, the club holding many joint meetings with Brown, Pembroke, R.I.S.D., and U.R.I.

The Club meets on the second and fourth Wednesday afternoon of each month with the Reverend Canon Samuel J. Wylie, our college chaplain.

Our various activities include Bible study here at the college and discussion groups at Brown University. This year the club participated in its first retreat at the Miramar estate with members of neighboring Canterbury Clubs.

KAPPA DELTA PHI

Kappa Delta Phi is the educational-social fraternity of R.I.C.E. to which every regularly matriculated male in the upper three classes is eligible for membership. In the last two years the fraternity's membership has more than doubled and with this increase there has been a burst of activity in a few innovations.

This year's activities include the annual Christmas party for underprivileged children, the national fraternity convention in Boston, the undergraduate banquet, the Saint Patrick's Day Dance, the Pledge Dance, and the unprecedented Hay Ride held in the early part of the year. The latter was unusual in that the fraternity as sponsor of the affair returned some ticket money because of the overwhelming attendance. Kappa Delta Phi also sponsored a

High School Senior Open House to acquaint students with teaching in general and R.I.C.E. in particular. A new event started this year was a New Year's Eve get-together of all the fraternity brothers and their guests. Judging from the tremendous success of this event, a New Year's Eve Party for brothers will be an annual affair.

Officers of the fraternity are:

Vice-President	Peter Kanarian
Treasurer	Hank Guillotte

SOCCER 1957-58 SEASON

The R.I.C.E. soccer team of 1957 had a fairly successful season. After losing two close games, the team turned on the steam and buried Bridgewater, Conference champs for three years, with a 3-0 shutout. This was the best game of the year, since Bridgewater is the biggest rival. However, the Bridgewater triumph was followed closely by two 1-goal losses to Fitchburg, the finest team in the Conference, and the chance for the first R.I.C.E. championship was gone.

Front, L.-R.: B. Jefferies, W. Crocker, L. Boylan, J. Aguiar, J. Fratiello, D. Andrews, T. Drury, A. DeAndrade, D. McKiernan. Rear: J. Menard, B. Berlam, J. Whitker, G. D'Amico, T. Sweeney, D. Moore, F. Peters, M. Mooradian, M. Fullam, D. Lamontagne, J. Velino, B. Layfield, Coach Brown.

Two players stood above all others in their contribution to the team's efforts. Joe Aguiar paced the offensive attack, scoring 10 goals during the season and setting up most of the other goals with his fine passing and hustle. Walt Crocker was easily the outstanding member on defense. Walt's consistent play at center half was greatly responsible for thwarting the oppositions' attacks, and he contributed to the offense, as well.

However, the team's success was not attained by these two stars alone. It was a team effort all the way, with co-captain Bob Berlam, Danny Andrews, Al DeAndrade, and Mark Fullam carrying their burden of the load. Others who had a big hand in the team's success were Tom Drury, Dave Moore, Don Lamontagne, John Judge (co-captain), and Frank Peters.

A word of praise must be given our two fine goalies — Bill Layfield and Joe Menard. Both boys were inexperienced, but played a rugged, capable game in the R.I.C.E. cage. Layfield also filled in at the halfback spots and proved to be just as capable there.

The importance of an enthusiastic, understanding, and highly capable coach is often overlooked. We at R.I.C.E. are fortunate to have a man who has contributed so much to soccer at this college. The student body realizes the amount of time and effort Mr. Brown has expended on behalf of the team and is appreciative of it. We wish Coach Brown continuing success and look forward to the first championship for R.I.C.E. within the next year or two.

BASKETBALL 1957-58 SEASON

Front, L.-R.: T. Drury, F. Mitchell, A. DeAndrade. Rear: Mr. Brown, B. Generoux, R. Daignault, R. Felber, T. Eastham, M. Fullam, D. Moore, D. Lamontagne.

The R.I.C.E. basketball team had its most successful season in four years, as it finished with a record of 8 victories and 14 defeats.

The highlight of the season was a 104-93 walloping of the Boston Teachers College team. The total points scored by the Riceans in this game eclipsed the previous R.I.C.E. high by a single point. The old record was established by the 1951 team.

Coach Brown's five was headed by Captain Frank Mitchell, a consistently high scorer throughout the season. Captain Mitchell was ably backed by the superlative shooting of Dave Moore, Tom Eastham, Rollie Deneault, and Al DeAndrade. Other Riceans who contributed greatly to the team's success were Tom Drury, Mark Fullam, Ronnie Felber, and Tom Sweeney.

Underclassmen can look hopefully to the 1958-59 season. With every member of this year's team returning next season, the team may bring the first championship trophy to the new R.I.C.E. quarters in 1959. To add strength to next year's team, Coach Brown has some promising freshmen who could win a starting role and help to propel the 1959 team toward a championship.

R.I.C.E. congratulates its basketball team on its fine season and wishes the boys luck and good shooting for next season.

Once again, a special "Thank you" goes to Coach Robert Brown, without whose advice and coaching the team's success could not have been achieved.

The Men's Athletic Association, under the direction of Professor Robert L. Brown, sponsors various athletic programs for the men of the college.

The purpose of this organization is to foster competitive relationships with the New England teachers colleges via the inter-collegiate competition of soccer, basketball and track.

By sponsoring intra-mural sports here at the college, the M.A.A. exerts a tremendous influence on the continued development of a fine school spirit at Rhode Island College of Education.

The following people are the officers of the M.A.A.: Walter Crocker, President; Roland Deneault, Vice-President; Edward Slater, Secretary; Stan Gurnick, Treasurer.

CHEERLEADERS

The cheerleaders form an important part of any athletic event both at home and away games. Their blue uniforms are new this year and have won the enthusiastic approval of all who have seen them.

The squad consists of ten members, including a captain who is usually a member of the Senior Class. New members are chosen whenever vacancies occur and girls from any class may try out. Five new girls were chosen in March after the basketball season to replace the five members graduating in June.

The cheerleaders, previously independent of any organization, this year became a part of the W.R.A.

To the Administration, Faculty and Student Body, whose suggestions and co-operation made our job easier

To Mr. James White, our faculty advisor, who provided interest and encouragement throughout the year
